The Jimmy Carter Library and Museum, the only presidential library in the southeast United States, portrays the early life and political career of Jimmy Carter and provides a glimpse of the modern American presidency. Visitors can enjoy a life-size replica of the Oval Office, an interactive “Town Meeting” with the president, elegant Gifts of State, changing exhibits, a gift shop offering reproductions of the White House china, and lovely grounds with a view of the Atlanta skyline.

## **2002 U. S. Savings Bonds Campaign Georgia Federal Employees Kickoff**

I am honored to serve as the Georgia Federal Campaign Chair for the 2002 Federal Employees Savings Bonds Campaign. This year's theme is "Save for Your Future." Along with the Savings Bonds Marketing Office and the Department of Commerce, Bureau of the Census, I am pleased to invite you to the opening of the Georgia Campaign.

We have planned an interesting and informative program for you. The Honorable Michael Thurmond, Georgia State Commissioner of Labor, will be our "Guest Speaker." As an added highlight, the museum director has provided our guests with a complimentary tour of the library and museum. Please take advantage of this gracious offer.

Sincerely,
